OFFICE OF PETITIONS

Dear Sir:

The captioned patent application lapsed on November 19, 2004 for failing to respond to the Final Office Action mailed May 19, 2004. An Amendment to the Final Office Action was mailed on July 13, 2004, within two-months of the issuance of the Office Action. The Amendment was not forwarded to the Examiner handling this application until December 4, 2004.

Applicants hereby petition to revive the abandoned patent application. The entire delay from the receipt of the Amendment by the Patent Office to receipt by the Examiner handling this matter was unintentional. Applicant's attorney became aware of this issue when an Advisory Action, mailed December 8, 2004, was received.
